Lawson Products, Inc. Announces Second Quarter 2007 Results

Lawson Products, Inc. (Nasdaq: LAWS) (the "Company"), a distributor of services, systems and products to the MRO and OEM marketplaces, today announced financial results for its second quarter ended June 30, 2007. For the second quarter 2007, net sales from continuing operations were \$129.2 million, which was comparable to the prior year quarter. As a result of severance charges recorded during the quarter, the Company reported a net loss of \$0.3 million, compared to net income of \$3.2 million in the second quarter of 2006. Diluted net loss per share was \$(0.04) for the quarter, compared to net income of \$0.36 per share a year ago.

Second quarter 2007 results include severance costs of \$5.5 million related to several executive departures. As a result of the severance charges recorded, the Company reported an operating loss of \$0.2 million for the quarter compared to operating income of \$5.1 million in the prior year.

Gross profit margins for the second quarter 2007 of 59.4 percent were comparable to 59.5 percent gross profit margins in the second quarter of 2006, reflecting comparable sales mix over the periods. In addition, the Company's pricing management activities in 2007 have compensated for certain higher commodity and product cost increases, resulting in consistent gross profit margin trends in 2007 compared to 2006. Selling, general and administrative expenses increased by \$0.5 million, or less than one percent, for the second quarter 2007, primarily as a result of a \$2.4 million increase in legal costs and professional fees compared to the prior year quarter. The Company implemented several cost management initiatives in 2007, and positive results from those initiatives offset increases in legal costs for the second quarter.

Share repurchase activities that occurred primarily in 2006 reduced the outstanding shares of stock by approximately five percent, and have had a favorable impact on net income per share amounts when compared to the prior year.

Thomas Neri, President and Chief Executive Officer said, "I see significant opportunities ahead for the Lawson Family of Businesses. I am very enthusiastic about building on the Company's sales, marketing and productivity initiatives, as well as continuing our efforts to drive customer satisfaction."
