Explanation of Responses:

1. The reporting person purchased general partnership interests ("GPI") from Roberta Port Washlow, his sister. The purchase price of the GPI was based in part on the fair market value of the Common Stock. This purchase did not result in an increase in the number of shares reported in column 5 because the reporting person has elected to show the aggregate amount of Common Stock held in the limited partnerships. The reporting person together with Roberta Port Washlow are the managing general partners of family limited partnerships that own in the aggregate the reported securities. The reporting person disclaims beneficial ownership of the securities except to the extent of his economic interests in the securities.
