Explanation of Responses:

1. The reporting person's wife purchased general partnership interests ("GPI") from the Estate of Sandra Errant. This purchase is deemed to be a purchase of Common Stock. The purchase price of the GPI was based in part on the fair market value of the Common Stock. This purchase did not result in an increase in the number of shares reported in column 5 because the reporting person has elected to show the aggregate amount of Common Stock held in the limited partnerships. The reporting person's wife together with Ronald Port are the managing general partners of family limited partnerships that own in the aggregate the reported securities. Previously Sandra Errant was one of the managing general partners of the family limited partnerships until her death on 10/18/2004. The reporting person disclaims beneficial ownership of the securities except to the extent of his economic interests in the securities; also includes 22,471 shares held by wife.
